Examiner Interview Summary

The Applicant thanks Examiner Boakye for discussing the application with the Applicant's representative, David Fogg (Reg. No. 35138) in a telephone interview on December 31, 2008. During the interview David Fogg authorized the cancellation of the pending method claims (claims 1-12, 14-19 and 48) due to the Examiner's concern with the recent *Bilski* decision. The Examiner agreed to then allow the non-method claims, including the computer readable medium claims. This includes claims 20-34 and 36-47. Claims 13 and 35 have previously been canceled. The Applicant thanks the Examiner for the indication that claims 20-34 and 36-47 are allowable. Applicant reserves the right to file a continuation application to pursue the method claims.

Applicant requests notification if the Examiner disagrees with the accuracy or completeness of the Summary.

Respectfully submitted,

Date: December 31, 2008
